

Limerick Fire-EMS Honors One of Their Own

On Tuesday, June 12, 2018, members of the Limerick Fire-EMS Department celebrated the retirement of FF Greg LePage. Greg has been a member of the department for over forty years. Earlier this year, he announced that he has decided to retire from active duty. Due to his many years of service to the Town, Greg has earned the status of Life Member, an honor reserved for former chiefs and those members active for twenty years or more.

During the ceremony, Chief Johnson commented on the fire service tradition of celebrating these important milestones. Putting Greg's contribution to the department in perspective, the chief noted that the Limerick Fire Department was started ninety years ago and that Greg has been answering the call for the last forty of those years. In recognition of FF LePage's

dedicated service to the citizens of Limerick and surrounding communities, Chief Johnson presented FF Greg LePage with a Certificate of Appreciation along with an ornamental ax that Greg can display at his home.
